

19th Annual Student Bird Art Contest at Godwit Days

Co-sponsored by Friends of the Arcata Marsh (FOAM) and Redwood Region Audubon Society (RRAS)

Humboldt County students from K through Grade 12 are eligible to enter.

Prizes: Up to \$550 may be awarded;

divisions to be determined based on total number of entries received. Special awards for best rendition of a bird in its natural habitat.

Submission Rules: One entry per student. Maximum size of artwork, including any border material, is 8.5" x 11". Subject must be a bird listed on page 2 of this flyer or another **locally occurring species.** Show off your skills using **non-digital media**, from paint to charcoal, graphite, markers, pastels, and more. All entries that have glued-on components (e.g., glitter, twigs, grass) or are done in pastel chalk must be **submitted in plastic sleeves**. Do not frame. Entries submitted by individual students, rather than through teachers, **must include an envelope with sufficient postage to cover return mailing cost.** The following must be written legibly on the back of each entry: species of bird being depicted; student's name and grade number; teacher's name, e-mail, phone number, and school mailing address. **Return of Artwork:** It is highly recommended that classrooms entering the contest enclose a self-addressed envelope (minimum size, 9"x12"), with proper postage for oversized mail (see www.usps.com for rates). **Allow until early May for return of entries.** Return packages must weigh less than 13 ounces. Entries lacking return envelopes will be held at the Arcata Marsh Interpretive Center until mid-June for teachers to pick up.

Announcement of Winners and Artwork Display: Winners will be announced and awarded prizes on Saturday, April 16. The location likely will be the outdoor amphitheater near the Arcata Marsh Interpretive Center. Color copies of winning art will be displayed at the Interpretive Center in May and June. Winners' names will be published in the FOAM newsletter and sent to local media. A booklet of all winning artwork and any artist photos taken during the award ceremony will be posted at www.rras.org, www.arcatamarshfriends.org, and www.godwitdays.org.

Deadline for Receipt of Entries: Friday, March 18, 2022. Drop off at the Arcata Marsh Interpretive Center, 569 South G Street, Arcata, or mail to Sue Leskiw, 155 Kara Lane, McKinleyville CA 95519.
